29th. January 1990

Item: Secretary General

Dear Members,

In October, 1984, the International Taekwon-Do Federation moved its Headquarters to Vienna, with Master Park Jung Tae as Secretary General. He was responsible for the technical education, worldwide, and for the organization in the headquarters. We thank him for his successful efforts and valuable work in this area. He has contributed a lot to the development of Taekwon-Do and his achievements are known throughout the world. To our great disappointment, he has resigned from this position as from the end of January 1990 as, unfortunately, he finds it impossible to work from Vienna.

Master Lee Ki Yung, 8th. Dan, will be the Acting Secretary General until the election at the Congress meeting, in Canada, this year.

Yours sincerely

Gen. Choi Hong Hi  
President  
Founder of Taekwon-Do
